

## NANDTB 01 / DOCUMENT CONTROL

The Board Secretariat is responsible from the publication and control of the documentation which is approved by the Board. The following statements are the basics of the documentation methodology:

1. The Secretariat prepares new/revised publication according to Board's decision.
2. Drafts are reviewed, finalized and approved by the Board
3. All of the publications shall be signed by the Chairman on behalf of the Board.
4. Documents are published in Board website and kept in Board archive as a hard copy.

All documents shall include separate revision history including procedure number, issue number, revision summary, revision date.
